REMARKS

The amendments to page 8 were made to correct inadvertent errors in the description of Figure 12 in originally filed page 8; namely, the marking of two lanes as lane 5 (page 8, lines 18-19) and the failure assign a lane number to the "three days P.I. supernatant" lane (page 8, line 21).

The remaining amendments to the specification are submitted to reflect the renumbering of Figures 3A, 4 and 14 in the formal drawings submitted herewith.

As the amendments to the specification submitted herewith do not result in the introduction of new matter into the present application, Applicants respectfully request that the enclosed formal drawings and amendments to the specification be entered.
